Carefully pulling his robe from the chair,
she puts it on, and she feels Merlin's flare.
Indecisively moving around the room,
she looks at the vial labeled "Deep Gloom."

What if I mix it with joy and with life-force,
would my remedy then keep them on course?
What if it stops all the battles today?
What if my potion abolishes dismay?

The Sorcerer awakens: "New formula, my girl?
Great thinking, without exploding it all."
Your remedy, darling, is magical and holy,
transforming Deep Gloom into Youthfull Folly.
