

Wisdom Community Newsletter

We asked, "What do you love about the Community Gatherings and why do you go?" Here is a sample of replies.

- "They're inclusive - like a reunion. And all you need to bring is your humanity. And it's like the only intention is to be together as humanity."
- "I get to see people with their originating circles. And in seeing them with their originating circles, I get to see them as a fuller version of who they are."
- "We don't wear course nametags. You don't know if someone's in the course or not, you just come together as a community."
- "I always find myself more able to love and appreciate people. I grow in that capacity by being with my Wisdom Community and I suspect that my family, friends and colleagues benefit from it."
