

Year-end Launch Event

When we are together as the global Wisdom Community, magic happens. Whether you are joining us in Panama City or online, you can expect unprecedented growth and development. In chance encounters, and in the many opportunities we create, you will play an urgent role in altering the fabric of life itself.

Join us as we officially launch the Year-end Programs: *The Language of Being!*

When you take a deep breath, and set aside all of what is wrong, or not yet done, or worked out... when you are simply here with no set agenda, no problematic past or worried about the future...

What are the qualities and characteristics of Self, living and life?

You will notice this is not something you do or make happen – it requires very little, if any, of your attention or focus. When you simply are in the world...

What are some of the possibilities that you Be?

This Launch Event is the beginning point of *The Language of Being* and is our gift to you!

This three-hour complimentary event is created especially for the people who are currently registered in the 2022 Year-end Vacation and the 2022 Year-end Course.

All Wisdom graduates are also welcomed to attend this complimentary event.

The definition of “launch”: to send forth, catapult, or release; to burst out or plunge boldly.

Join us as we plunge boldly into *The Language of Being!*
