Points of Etiquette

Please review the following points which will allow for workability for the course/program.

Name Tag

Zoom Instructions: in the upper right corner of your picture, select the three dots and select 'Rename'.

Full Participation

If you need to step away for any reason, please turn off your video camera. When you return, please remember to turn your video camera back on.

If you arrive after a session has begun or leave before the session ends or need to step away, there is no need to announce this.

We recommend that you do not have distractions in the background and have appropriate lighting so that your image shows up on the screen.
